**Question and Answer:**

**1) Who are the cooks?**

- A congregation in Philadelphia commits their time and ability to serve. They have done it for the 25 Years Reunion. Their intension is to serve, not to make any profit. After paying for all the foods and supplies, the extra fund will be donated to camp.

**2) Why should I eat in the Cafeteria?**

- The goal is to free your family from cooking and carrying supplies to camp. Your family will have more time for fellowship and recreations. Cooking on your own may cost more!

**3) What about if I eat less than 7 meals?**

- If you eat just a few meals, you may choose to pay \$ 5 per meal, or donate in the fair amount. Again, all extra funds will be used for further development of our camp.
